Nick Caputo is a wolf shifter, and the new clan enforcer. He knows with every fiber of his being that Violet Tago (a shifter that cant shift) is his mate. One kiss. One simple taste and shell be his. Since arriving in Pepper Valley, Violet has ignored any burgeoning attraction for Nick, and instead crushes big time on her brothers best friend, Brody. After seeing his best friend, Griffin, fall in love, marry, and have children, Brody decides its time to settle down with a family of his own. When a new curvacous beauty shows up in town, the attraction practically crackles the air between them. But Leah Cross isnt human...or a shifter. Two couples with undeniable attraction.
