

Stealing Rose: A Novel (The Fowler Sisters Book 2)

The second novel in New York Times bestselling author Monica Murphys sizzling series about three powerhouse sisters and the men who would have their hearts. People say the youngest child has it easy, but nothing can be further from the truth. Unlike my two sisters, Violet and Lily, Im never in the limelight. I just work my butt off for Fleur Cosmetics and get little to no thanks for it. Ive been pushed too far one too many times, and Im finally brave enough to do something about it. Maybe my newfound courage has something to do with the amazing pink and white diamond necklace I wear to the party in Cannes. The instant those dazzling heirloom jewels touch my skin, they excite some deep, aching need inside. And when that guy that totally gorgeous guy locks eyes with me, I know this nice girl is going to be naughty. For once its my turn. My turn to say no to my father, to outshine my sisters, to walk away from it all straight into the arms of a mysterious stranger. But what if Caden is much more than I bargained for? Sure, he makes me feel sexy and free in a way I never have before, but theres something else I cant quite place something dangerous. Maybe our chance meeting wasnt so random. Maybe he was looking for me for a reason. Whatever his motive, theres no going back now. And maybe I dont want to. Praise for Stealing Rose Prepare to have your heart stolen!
