

From Cindy Miles, bestselling new adult author of Stupid Girl, comes the next installment of her blockbuster Stupid in Love series?Stupid Boy. Brax Jenkins and Olivia Beaumont are the most envied couple at Winston University?but the so-called virginity dare, orchestrated by Brax's old fraternity, almost tore them apart. Now, a new dare is taking shape, and it's sure to set emotions ablaze?more than ever before. Winston's It Girl Harper Belle isn't just president of the Deltas?she's also a master at keeping her ugly past a secret. So, when the Kappas dare hits closer to home for her more than anyone realizes, she devises a competition of her own as payback. Three sorority sisters will seek out a notorious womanizer on campus and?unbeknownst to their mark?secretly train him to be the perfect boyfriend. Always up for a challenge, Harper targets the biggest player she can find: Brax's wickedly handsome foster brother Kane McCarthy. But, Harper discovers there's much more to Kane than girls, games, and partying. His easy smile belies the quiet, old soul reflected in his deep brown eyes. All it takes is one night, one secret laid bare, and one kiss from Kane to shift Harper's world on its axis. Suddenly, the girl who's always walked a straight and narrow path can't think of anything else except losing control.
