

Swerve: Reckless Observations of a Postmodern Girl

Swerve is got what you want. Casual sex. Bikini waxes. Karaoke. Naked guys. Badass girls. And a really old Chinese guy. From Aisha Tyler, the girl who first made us laugh out loud in a room by ourselves on Talk Soup, comes Swerve: Reckless Observations of a Postmodern Girl. In this rowdy collection of essays, Aisha comments deliciously on everything from light beer, casual sex, and hip-hop videos to marriage, the Ms. Foundation, and Sun Tzu's The Art of War. Recounting hilarious stories from her own life, Aisha investigates the mysteries of platonic friendship, compares male and female strip club behavior, and answers, once and for all, whether size matters. Swerve is fresh, ambitious, shocking and laugh-out-loud funny on a Gordian knot of pop culture observations that will fascinate and engage postmodern girls and guys alike. You know you want it. Come on. Get your Swerve on.
