So whats a newly-single romance author to do? Two weeks of whatever, and whoever, I can get my hands on in Amsterdam, thats what. Its time to unleash my inner heroine, no strings attached, tax-deductible, intellectual, and purely sexual. You know... RESEARCH PURPOSES ONLY. I expect to experience a wild week or two, acquire some knowledge so I can write what I know, so I dont feel like a fraud. I never dreamed that I would meet two drop-to-your-knees-gorgeous men who would make my fantasies a reality or fall for me as quickly as I fell for them. ** Research Purposes Only is a full length MFM romance novel, with a bonus novel included **
