

## Taming Naia (The Roark Brothers Trilogy Book 3)

Naia knows that Liam Roark has every right to be angry with her for sabotaging his career ten years ago with the accusation that he spanked her. When she seeks him out to ask his forgiveness, though, he will only give it on one condition: she will have to accept the bare-bottom spanking she once falsely claimed to have been given. Although hesitant, Naia agrees, but after a painful and humiliating punishment which leaves her tearful and blushing, Liam sends her on her way. Despite her protests he is determined not to see her again for his sake and for hers. He knows full well how strongly he yearns to dominate and have his way with her, and he fears she is far from ready to see that side of him. But Liam isn't the only one who has to come to terms with the past, and when Naia persists, he finds himself unable to resist the twenty-eight year old beauty any longer. Deciding to give her a taste of the life he lives, Liam brings her with him to his vacation home in Miami. He will demand her absolute obedience, thoroughly punish any defiance, and take her in any way he pleases, leaving her begging on her knees for more. But will the passion they ignite continue to burn hot once they return home? Publishers Note: Taming Naia is a stand-alone prequel to Taming Emma and Taming Megan. It is an erotic romance novel that includes spankings, sexual scenes, elements of BDSM, and more. If such material offends you, please don't buy this book. Also note that this book was published previously under the title Naia and the Professor.
