

Taming An Angel (Romancing Angels Book 5)

Joshua Angel has been badly hurt from a previous marriage to an unscrupulous woman. Now that his brothers are getting married and finding love interests of their own, Joshua has begun a journey of healing. With the help of Melanie Angel, his new sister-in-law, as well as the rest of his caring family, Joshua will move forward and brave his emotional turmoil regarding women. His relationship with Meredith Stanton, a woman several years his senior, will allow him to laugh, hope, and aspire. When that relationship begins to sour, the Angels will be there for him. Together, they will attempt to tame his anger.
