

Tainted Gifts (Gifts Trilogy #2) (The Gifts Trilogy)

Broken and lost, Aria slowly starts picking up the pieces after the mess Jase left behind. Its hard to forgive someone when you know youre not meant to be together. Perhaps she just needed an excuse to get out. Jase isnt one to go down without a fight, and hell be damned if he loses Aria now. Not now. He loves her too much, and theres still so much he needs to tell her. But he wasnt expecting the masked man and what he represents. In the end, Aria will have new secrets to keep, new lies to tell, and new truths to face. Though this book is not a stand alone novel, this book does not have a cliffhanger ending.
