

Tegans Magic (The Ultimate Power series Book 3)

Something is rotten in Tribane city. The humans are descending into madness and Tegan is certain that Theodore has something to do with it. The sorcerer and his followers have sent her father to hell and shes determined to bring him back. Shes not going to lie down and play dead this time, now she has magic on her side. And then theres the alliance she and her friends have made with Ethan and his group of exiled vampires vampires who were exiled because of something she did. Shes not having the best time living under their quiet condemnation, especially Ethans new-found hostility. With all that going on, Tegan doesnt feel like her love life should be taking centre stage, yet shes finding that her friendship with Finn is evolving into something she never expected. The question is, should she explore the possibility of Finn or wait for Ethan to finally forgive her? Both Whitfield and Pamphrock are regrouping, but which side is going to make the first move? There will be magic. There will be fighting. Blood will be spilled. Someone will emerge as the new ruler of Tribane and the only thing thats certain is the city will never be the same again. ****Please Note: This book contains some strong language and scenes of a sexual nature.****
