

Easton Ambrose has spent half his life protecting Natalie St. Clair from guys like himself. Its not like he wants to interfere with her dating life, but whats he supposed to do when she insists on going out with the wrong kind of guy? Kiss her, of course. But now shes pissed. And what starts as an apology turns to heated words...then just to heat. Jumping East was the worst idea in the history of ideas. The guy is Natalies older brothers best friend, the definition of off limits. But shes tired of the safe guys who couldnt light a fire with a flamethrower. Time for a little dangerous-even if dangerous always blows up in your face. Because even if they survive their bedroom antics, its only a matter of time before theyre caught...
