J.B. McGee

Thinking about expanding your business to have a stand alone website? Already have one and want to add suppliers and merchandise for a quick profit? There is a huge market for personalized, handmade gifts right now and the place to be is on the internet! We have been in the online business since 2008. We owned and then sold our own monogramming boutique and made a profit within the first year. After we sold that business, we realized that there was a great need for marketing help and web services in the work at home business. Weve taken our experiences over the last 4 years and poured them into this wonderful eBook for you. These tips are our most frequently advised tips for our clients. They work and if you follow them, youll see improvements in your business, as we have. Please note there is a variety of shops listed in the list of drop ship/wholesalers, but they are geared towards a childrens boutique, monogramming boutique, and other girly businesses. The 50 Ways to Market YOUR Online Business eBook is 2367 words. This eBook is meant to be a quick resource and guide. The list of vendors took years to compile.
