

Badass Dragons: Part Three (Paranormal Saga Book 9)

Cheryl's second night with the dragons continues as she wakes up on the floor with her sister Sophie and the vampires staring down at her. What on earth have they done to her...? After a struggle she is able to narrowly escape them and runs into the arms of both Jet Strongarm and the master dragon Synrith. Each dragon is telling Cheryl he is her true love and the other one is a liar in disguise. Both of them are so compelling in their arguments, Cheryl doesn't know who to believe. It doesn't matter though, because she's only fallen for one of them. But is it the right one...?
