

Lesson one: She makes the rules. Lesson two: Refer to lesson one. Billionaires in Bondage, Book 1 The Billionaire. Donovan Morgan rules his billion-dollar international company with an iron fist. But in the privacy of his bedroom, he hungers for an iron lady to rule his body. The Mistress. Lilly Harrison helps her clients tame their personal demons by taming them. Lots of men—blue collar to white collar—enjoy female domination. But the ultra-rich and powerful CEO is alpha to the core. In public, that is. The challenge will be to teach him that bossy isn't always better. The Contract. Donovan selects his potential Mistress as carefully as a prime investment opportunity, and negotiates a contract as tight and binding as any corporate takeover. He must ensure his privacy at all cost—even if he has to resort to a little blackmail to ensure her full cooperation. His First Lesson. When the indomitable Miss Harrison laughs in his face, tears his contract up, and walks out without a backward glance, it seals the deal. Donovan will have her. Even if she makes him crawl to her side. Warning: A billionaire used to buying everything he could possibly want—except in the bedroom; a Mistress determined to bring him to heel with her sexy red stilettos; inappropriate use of cherry pie and silk ties; and a steel-clad contract that will keep him exactly where she wants him.
