

Kidnapped and left for dead, Melanie Harper never thought she'd see a friendly face again, until billionaire playboy Jack Carter showed up out of nowhere and saved her from a watery grave. As she desperately tries to uncover the secret of her past, she falls hard for her knight in shining armor. Intrigued by the young woman who has no recollection of either her past or identity, Jack finds himself irresistibly drawn to her, and soon takes on a lot more responsibility than he ever bargained for. But will it be enough to keep her safe?
