

## The Boss's Love - Anniversary Edition

From Amazon Top 100 Bestselling Contemporary Romance Author Casey Clipper comes the novel that launched the spinoff series - The Love Series. A mob boss and the woman he loves, a secret that needs to be revealed, a brother and his undying loyalty, and a psychotic obsession, all lead to one moment that forever changes the Murphy family. The Boss's Love Darren Murphy is a man not to be reckoned with. A man with power and wealth. A man who runs the largest crime organization in the Northeast. A man who has one weakness. Courtney. Courtney Millen is a woman who's been through hell. She spent years in an abusive relationship until Darren Murphy took an interest in her. Saving her life. Literally. But she spent years holding Darren at bay, refusing his marriage proposals. Derrick Murphy is an attorney with only one client. His brother, the notorious crime boss. His time is spent making sure Darren and his men stay out of prison. He spends his nights alone, having only room for one woman in his life. But that woman belongs to his brother. Darren manages to keep his business a secret from Courtney. Until someone becomes obsessed with the woman he loves, setting off a string of events that tests Darren and Courtney's relationship. Courtney finds herself in a series of life-changing events, including one that will forever alter her. Derrick finds himself on a course he never expected, picking up the pieces of a shattered world, including Courtney's. Will Darren be able to get Courtney down the aisle so she can never leave him? Will Courtney's demons from her past prevent her from saying yes to the man she loves? What will Courtney do when she finds out about Darren's illegal businesses? What happens when an unhealthy obsession turns deadly? How will Derrick help to transform Courtney, as well as show the world of organized crime he truly is the one man that no one should

cross? \*\*Note: For those who read the original version, this one is slightly different. There are new scenes and different character points of views.
