

The Color of Love

Acclaimed for her moving depictions of interracial love, bestselling author Sandra Kitt delivers a passionate and provocative tale of modern romance. An artist trapped in an unfulfilling relationship, Leah Downey wants more out of life. But she plays it safe, never venturing too far from her comfort zone ... not since the night she was mugged at knifepoint. Beginning a relationship with a perfect stranger is completely out of character for Leah. But something about Jason Horn strikes a chord deep within her. They couldn't be more different. Jason is white, a streetwise New York cop haunted by his own demons. He's stunned by his instant attraction to this vibrant black woman who arouses both desire and his fiercest protective instincts.
