

Vendetta: A DeLuca Family Novel (The DeLuca Family Book 2)

Some ghosts from the past just wont stay dead. They say time heals all wounds, but what about the ones repeatedly ripped open and left to fester? Frankies just trying to forget her past and find a way to move on without letting old demons drag her down. Enzo is determined to save her while desperately holding on to the tattered threads of what they once had. His impulse to always protect her and her fierce desire to never depend on him again put them at odds when Frankie becomes the object of obsession for a psychopath and theyre forced together once again. With nowhere to hide they must finally face their past and unearth secrets long since buried. Will they be able to move on from their shared ghosts together or will outside threats force them to go their separate ways?
