

The Avenging Angel... Gabriel is the man his people need, an avenging angel who brings death to those who torture and massacre shifters. He never planned to take a mate, but once he does, it takes everything he has to walk away. She wears his mark, but for now, that's all he can give. A Woman Alone... Abandoned at birth then shuffled between foster homes, Kenzie knows what it means to be unwanted. Even adoption didn't make her feel loved when she was booted out at eighteen. She'd expected her mate's mark would give her a place to belong...and someone to whom she'd belong. It didn't. She was marked, mated then discarded. Mine... The mark awakens things long dormant inside Kenzie and sends her on a journey for answers. She won't stop until she learns the truth, even if it tears her world apart. She'll find the ones who left her to stand alone when they should have loved her. She'll start with her mate.
