

## The Real Deal (It Started in Texas)

Second chance romance or no way, no how? Sam Jackson has a plan. Winning his ex-wife Patty back, whatever it takes. Unfortunately Patty isn't exactly on the same page. Convincing her to give him a second chance won't be easy, but it will be fun. Sexy fun. Divorcing Sam Jackson was the toughest thing Patty Jackson had ever done. She'd loved Sam almost from the time they met as teenagers the same age as their daughter now. But sometimes love isn't enough. Lust is never enough. If it were, they wouldn't be divorced. Now Sam's back in town and intent on reminding Patty how attracted they are to each other. He's right, but attraction isn't enough. Falling in love with Sam the first time ended in disaster. Is it worth taking a chance that this time it's the real deal? The Real Deal, Book 4 in Liz Lee's steamy It Started in Texas romance series.
