

## Scarred (Lost Series) (Volume 2)

They told me about Ethan. Hes no good. He only knew darkness. Hes a killer. But thats exactly what I need. Only a monster can turn me into one. Ive bled and screamed. Ive been the victim too long. The scars that are visible only conceal the more painful ones on the soul. If he could help me save myself and learn to fight again, then he can have whatever he wants from me. My body. My soul. My heart. Later, hell realize that I had the better end of the bargain. **WARNING:** This is a dark romance. It contains violence, filthy words, dubious consent, and potential triggers for readers. Please be aware of that when purchasing this book. This story is about being careful what you ask for, because youll get exactly what you need, instead of what you want.
