

The Secret Life of Prince Charming

Quinn is surrounded by women who have had their hearts broken. Between her mother, her aunt, and her grandmother, Quinn hears nothing but cautionary tales. She tries to be an optimist after all, she's the dependable one, the girl who never makes foolish choices. But when she is abruptly and unceremoniously dumped, Quinn starts to think maybe there really are no good men. It doesn't help that she's gingerly handling a renewed relationship with her formerly absent father. He's a little bit of a lot of things: charming, selfish, eccentric, lazy...but he's her dad, and Quinn's just happy to have him around again. Until she realizes how horribly he's treated the many women in his life, how he's stolen more than just their hearts. Determined to, for once, take action in her life, Quinn joins forces with the half sister she's never met and the little sister she'll do anything to protect. Together, they set out to right her father's wrongs...and in doing so, begin to uncover what they're really looking for: the truth. Once again, Deb Caletti has created a motley crew of lovably flawed characters who bond over the shared experiences of fear, love, pain, and joy in other words, real life. Caletti's gifts for voice and for conjuring multidimensional personalities are at their sharpest. Publishers Weekly starred review

Booklist Online Book Review: *The Secret Life of Prince i*, Deb (author). Apr. 2009. 336p. Simon & Schuster, hardcover, \$16.99 (9781416959403) *The Secret Life of Prince Charming* by Deb Caletti - Maybe it was wrong, or maybe impossible, but I wanted the truth to be one thing.
