

# The Superyacht Book

What is luxury? Some people might say my Lamborghini, while others might think of non-material things and place the greatest value on time for myself or freedom. The Superyacht Builders Association shipyards create custom-built superyachts that will satisfy members of both groups. While on board these magnificent floating residences, you can enjoy every kind of luxury imaginable, including a spa, a gym, haute cuisine, and flawless personal service. After a few days aboard Symphony or 11.11, you'd be hard pressed not to find complete inner peace! In *The Superyachts Book*, Tony Harris, one of the most knowledgeable observers of the scene, provides stunning photos and informative descriptions of the flagships of 20 top shipyards. This book is a luxury everyone can afford.
