

Wrapped in Silk

Updated July 9, 2013 Highly emotional, erotic, sensitive story of second chances at life, and love. Emma a single mother to seven year old London finds herself separated and on the verge of a divorce. She is not looking for love just a happy life and the ability to take care of her daughter. Emma is faced with making the decision to move, giving her the ability to support her family. While London is on a visit with her father, Emma visits a college room mate, a publicist in New York City she literally runs into Brody Hines, a British rock star. Emma finds herself attracted to him immediately and does not realize who he is. Left in fates hands the two meet again and he knows he has to have her.
