

Reality Check in Las Vegas: A Tiffany Black Mystery (Tiffany Black Mysteries Book 5)

A Cupcakes-And-Crime Caper When Tiffany's friend Stone decides that he needs to disappear, Tiffany tries to track him down. If there are enough cupcakes available, Tiffany can achieve anything. In her attempt to find Stone, Tiffany runs into a self-proclaimed diva, Lana Fierst, who also happens to be a judge on a reality TV show. Lana claims that her life is in danger - and when Tiffany and Ian agree to help her out, they soon find their lives endangered, too. Meanwhile, Karma's grandchildren drop by for a visit, and Tiffany decides to throw caution to the wind and learn to bake her own cupcakes. Winters will have you giggling into your book! Will Tiffany find Stone, and whoever is trying to kill Lana, before it's too late? More importantly, will she have enough cupcakes in her life? Praise for A.R.
