

Julian Massey has always been sickly. When the young mans parents send him to the seaside town of Urchin Cove to recuperate, he finds himself stranded in a tiny cabin with only the quirky local inhabitants for company. Then a storm blows through, and he finds an unexpected discovery washed up on the beach: an unconscious man. After stealing a treasure, Kit Archer is taken prisoner by a ruthless pirate, Captain Booth. When a storm hits the pirate ship, Kit is able to escape, but not without serious injuries. Jules nurses him back to health, and friendship grows into desire. But Captain Booth is bound to come in search of his treasure and the man who stole it. In a world with dragons, sprites, and wizards, its going to take more than a little magic for Jules and Kit to find lasting happiness together.
