In a way, it did, but being locked up in a room in the High Council Estate where his wolf felt trapped wasn't the new life he expected. Alpha Carter Whelan shows up to ask Vencentio to join his pack after the Omega rules change, but it's soon discovered no one in the Omega Network even knew Vencentio was at the High Council Estate. Terrified and wondering what sort of trouble he's in, the Omega runs with Carter to Denver to seek help. After fighting with Carter, Vencentio tries to run and ends up crashing into Marlow, a man with the prettiest green eyes ever. Later that night, he meets another god of a man, Galvin, who offers him something he's never had before... A friend. But will Vencentio be able to trust anyone again? \*\* A Siren Erotic Romance
