

Vexing Voss

For Voss, a Coletti Warlord, conquering the universe is a piece of cake. After all, hes a master of psychic seduction; no one can resist him when he sets his mind to it. Zoey Jones is determined to find her mothers killer. Surrendering to a fierce Coletti warrior is the last thing on her mind. When Voss is determined to make Zoey his mate, she unleashes her own brand of whoop-ass to discourage his pursuit. When her clever disguises, skunk perfume, stun gun, and smoke bombs fail to stop the ruthless warlord, shes forced to negotiate her surrender: she would mate with him if he would help her find her mothers killer. To Zoey's surprise, Voss agrees, and the hunt is on. Their quest to bring the villain to justice leads to unlikely alliances in an interplanetary war, and more surprisingly, to love.
