

# F\*\*k It Is the Answer

Think of a question any question! (okay, maybe not a question like what was the name of my physics teacher?). Then turn to a page, and experience the magic the magic of F\*\*k It. We all have questions. And the bestselling F\*\*k It books have provided answers to hundreds of thousands of people around the world. The F\*\*k It philosophy of not worrying so much, of letting go more, of caring less what others think and doing your own thing has provided answers that work in real life, every day. In F\*\*k It Is the Answer, John C. Parkin adds another element to the F\*\*k It mix: by inviting you to ask your question, and then turn randomly to a page that offers you a F\*\*k It-style answer, he recruits the magical powers of your own unconscious or fate or spirit or whatever it is that seems to guide us to the correct answers when we allow it. So this book is about allowing it. Just as F\*\*k It is about allowing it relaxing, trusting, going with the flow, and allowing the magic to happen. This book is F\*\*k It Squared: taking the powerful wisdom of F\*\*k It, and then recruiting whatever worldly or unworldly magic it is that makes this work. Make no mistake though: work it does. So ask your question, and turn to a page.
