

A Song for Us (White Trash Book 3)

In this highly anticipated follow-up to *White Trash Damaged*, Cass and Tucker have finally found their happily ever after, but can Eric, the band's brooding drummer, ever let go of his past and find love? From a small-town boy with fantasies of superstardom to rock star on tour with the suddenly famous band *Damaged*, Eric's life has not been an easy journey. Now he struggles to let go of his past of physical abuse, a past that still haunts him. His anger is causing him to spiral out of control and he risks losing everything he has worked so hard for. Only one person has ever gotten him to open up about his past: Sarah, the lead singer of *Filth*, the opening act on their first national tour, a fellow rocker with a confident facade that masks her own painful secrets. But their band's rocky past and Sarah's tumultuous relationship with her bandmate and boyfriend Derek force her to keep Eric at a distance. As their friendship begins to grow into something more, Eric has to find a way to let go of his tortured past, or it could jeopardize his only chance for a happy future.
