Holly Hayes is a realist, if nothing else. Shes going to be Maid of Honor at her best friend, Emmas wedding in Summer Lake. Pete Hemming, self made millionaire, powerful CEO, all around good guy, is going to be the Best Man. If theyre going to be able to get through their official duties, theres one thing theyll need to deal with first. Sex! He may be out of her league socially and financially, but one thing is clear. He wants her. She wants him. Whats the harm in one night of passion? Its inevitable theyre going to end up naked together. So its best to get it out of the way early, right? So they can get on with organizing the wedding. Pete Hemming is a man with a plan. Hes lived his life by the plan, built his business by it. The plan doesnt allow for a woman in his life, only in his bed. Trouble is, once he gets Holly into his bed, he cant get her out of his mind. But he cant let her into his life, can he?
