

With Brooke's two lovers in need of her help, she has a tough choice to make. Will she go to Nick—who's in jail for beating up Dylan? Who is reckless and thrilling to be with? Or is it Dylan who needs her more—who's in the hospital with epic wounds inflicted by Nick? Dylan, who is perfect and easy to be with. She can't stand to be without either one of them. Her decision is weighty, but she knows that wherever she goes, the fallout will be felt by everyone she cares about. And everyone but Brooke seems to know who comes first every single time. Once her decision is made, there's no going back. She has to live with the consequences of her choice and the reactions of Nick, Dylan and even Jess. It's impossible for no one to feel betrayed. And once things start to settle down and everyone is falling back into a routine, Brooke finds that she can't follow through on the path she's chosen. She keeps going back to the place where she had both of them. She knows it's selfish, but she can't get either one out of her life for good. Will she be able to hang on to everyone who matters, or will they start falling away one by one? Will Nick and Dylan clash again in an even bigger way? Will she be the cause of that when she only fuels the fires that burn in each of them for her, and for the other's demise? == > You Only Live Once 3 is approx. 25K words and is volume 3 in the Brooklyn Bailey series. This story is planned to unfold over multiple volumes.
